

A Message from Premier Christy Clark

As Premier of the Province of British Columbia, it gives me great pleasure to join with the Association of Canadian Search, Employment & Staffing Services (ACSESS) in celebrating *Staffing for Canada Week*.

I understand that this year's tagline is *Putting Canadians to Work/Au Travail* and I think it is a wonderful message to get behind. The skills, professionalism, flexibility and adaptability of temporary and contract employees are, now more than ever, critical to our growing economy. Our BC jobs plan is ambitious and its success depends on a strong workforce. Organizations like ACSESS are key to making it happen.

I'd like to take this opportunity to thank the organizers and volunteers for making this celebration possible.

Please accept my best wishes for a successful Staffing for Canada Week.

Sincerely,
